IN-UNIT MAINTENANCE INSPECTIONS In January, a notice regarding the 2020 Annual In-Unit Maintenance Inspections was sent to all Unit Owners. In that notice June 30, 2020 was identified as the date all In-Unit Inspections were to be completed. Due to the changes recently experienced by businesses and individuals related to initiated COVID-19 protocols, **the Board has extended the date for completion of inspections to August 28, 2020.**

CHECK OUT OUR CONDO'S WEBSITE AT

marketstreetattowncenter.com Our Condo's website offers **everything you need to know** about our Condo and MORE. During a time, such as now, when important information and guidance regarding COVID-19 can change as soon as words are put into print, our website can be a resource for you. The focus of the site is to provide you information about our property and our community. Information about building-related changes as well as changes that might affect you personally will be provided. In addition, an attempt will be made to share relevant resources with you.
